## Service Description

SGSE is an organisation that offers all children and young people positive experiences, opportunities and education. SGSE enable all to engage, enjoy and achieve, whilst continually learning and developing themselves academically, socially and emotionally. The management have vast experience in educational and mentoring delivery, this stems from working with juvenile offenders within custody for twelve years as an education senior manager.

During this time four Ofsted "Good" grades were achieved, along with one "Outstanding" grade. The provision and structure at SGSE is modelled on the same delivery, which is four sessions per day, focusing on personal and educational development. We provide a broad variety of placements that meet the needs and interests of all learners that are referred to us. These placements are located across South Gloucestershire and Bristol. We have a passion for enabling all learners to develop themselves in all areas of their educational learning journey, as well as developing their confidence, motivation, ambitions, aspirations, functional and life skills. We are an approved deliverer of various qualifications via a broad range of awarding bodies.

Our timetable of delivery is structured to meet the needs of the learner, which can also include enrichment activities outside the core delivery day. All of our learners have a plan set out within their initial induction to achieve real accredited educational and life skill outcomes. All progress and achievement are tracked, monitored and daily updates are cascaded appropriately. Introducing a learner to provision provided by SGSE will give them an opportunity to progress and build on existing skills and qualities.

## **SGSE Horticulture & Grounds**

SGSE Horticulture & Grounds community project is where the young people will help those within the local community (elderly and disabled) that can't maintain their gardens to do so. The young people will work towards a level one qualification and gain valuable skills within horticulture and grounds, as well as aiding those within the local community. They will also be a point of positive contact as some of the people are alone and don't see anyone. So, this provision not only helps the young people but also those within the local community.

*Provision will run Monday to Friday 9am to 3pm, we will accept referrals for this offer for 2 - 5 days.*

---

## **SGSE Music**

The young people will have access to state-of-the-art music IT facilities and instruments. They will work towards a music technology level one qualification and have access to our music community network. This will be led by a vastly experienced music teacher who has worked with juvenile offenders for over 15 years.

*Provision will run Monday to Friday 9am to 3pm, we will accept referrals for this offer for 2 - 5 days.*

---

## **SGSE Primary Provision**

Providing a site that is solely for primary school age children, a team that consists of teachers, childcare managers and mentors will be providing primary focussed provision that will be solely for this target group.

*Provision will run Monday to Friday 9am to 3pm, we will accept all referrals that are of primary school age.*

## **SGSE Horse Experience**

Horses are non-judgemental and offer young people a relationship in which the young person can develop their own growth and learning. Horses respond to our inner state not just what appears on the outside, as well as being sensitive to needs. SGSE Horse experience aims to build confidence, communication, and establish a sense of care and trust.

---

## **SGSE Sports Academy**

Based at an Olympic standard athletics facility the young people will partake in a level diploma in sports studies whilst learning and participating within core sports such as Football, Rugby, Hockey, Athletics and more, they will also have Maths and English embedded within their timetables. This placement is ideal for those that love being active and have a passion for sports.

---

## **SGSE Barbering**

Based at our barbershop site in Bristol, the young people will experience what it is like to be part of the barbering industry, they will learn the skills to become a barber and once the course has been completed, they will be given a full barbering kit so they can start their own barbering career.

---

## **SGSE Health and Fitness**

For years 10 to 13, linked to our community partners, the young people will access to of the range fitness equipment and facilities. They will work to set programmes and instructed by a qualified fitness professional, working on building confidence, self-esteem and communication skills.

## **SGSE Jujitsu**

Martial arts training incorporates unique characteristics including an emphasis on respect, self-regulation and health promotion. Several studies report that martial arts training had a positive effect reducing symptoms associated with anxiety and depression.

Many of us think of martial arts as something for children to do as an after-school activity so they focus on discipline, respect, getting good grades, and have an outlet for their ADHD. But it can be so much more if taken seriously and applied properly.

Children attend classes and learn proper stances, punches, kicks, exercises, stretches and physical techniques. However, these lessons usually have deeper meanings which are important life lessons.

We at SGSE have a community network partner that encompasses jujitsu package. These sessions are embedded within timetables

---

## **SGSE Boxing Academy**

Our boxing academy promotes self-control, respect, emotional management strategies along with positive life skills.

Many of us think of boxing as something for children to do as an after-school activity so they focus on discipline, respect, getting good grades, and have an outlet for their ADHD. But it can be so much more if taken seriously and applied properly.

## **SGSE Football**

Our SGSE Football sessions are led by a qualified FA football coach, who is also a semi professional football player. The session consists of learning a technique, applying the skill, then demonstrating this in a game scenario. The young people will also work towards awards, certificates, and full qualifications all around football.

---

## **SGSE Make Up/Nails/Lashes**

This short course aids the young people in developing their understanding on how to apply make-up correctly and to a high standard, how to apply acrylic nails, and false eyelashes. This is a great timetable option for those that are interested in these activities.

---

## **SGSE Construction**

The SGSE construction offer enables young people to have the opportunity to learn the skills needed to complete tasks like block paving, brick work and tarmacking. This timetable option aids all who partake within the sessions to gain valuable experience and knowledge, to be able to transition and apply into working life when the time comes.

## 2 Day Mentoring Services

At SGSE, our two day mentoring provision is focused on personal support, assistance, encouragement and inspiring children and young people.

During these weekly sessions children and young people have the opportunity to have rest bite from their normal provision settings, where they will partake in purposeful and enriching activities, with a focus on mixture of short and long-term SMART objectives identified.

A strong focus on soft skills development such as motivation and confidence are delivered, as well as more tangible hard results. Targets may change after each month, if new goals are identified or amended.

Times: 09:00hrs – 15:00hrs

Sessions run Monday to Friday

Suitable for primary, secondary and post 16 children and young people.
